A Home Depot Design Associate will be happy to walk you through the entire process of selecting your vanity top. You can also use this guide to help start you on your way. It outlines some of the considerations you’ll take into account when designing the vanity top that best suits your style and space.

1. VANITY TOP COLLECTION AND COLOR

- Collection A
- Collection B
- Collection C
- Collection D

COLOR*: A list of vanity top colors can be found on the reverse side of this form or by visiting www.solieque.com

NOTE: GRANITE IS A PRODUCT OF NATURE. AS WITH ALL NATURAL MATERIALS, NO TWO PRODUCTS ARE EXACTLY ALIKE. GRANITE VANITY TOPS WILL HAVE VARIATIONS IN COLOR, MINERAL DEPOSITS, VEINING AND DIRECTIONAL TRENDS. SAMPLES VIEWED FROM THE STORE DISPLAYS ARE INTENDED TO SERVE AS GENERAL EXAMPLES, NOT EXACT REPLICAS OF WHAT THE PRODUCT WILL LOOK LIKE. BY SELECTING GRANITE YOU ACKNOWLEDGE THIS.

2. DIMENSION

A) LENGTH:
- Solid Surface/Natural Quartz: 25" to 65"
- Natural Granite: 25" to 65" Specify to nearest 1/4"

B) DEPTH:
- 19\(\frac{1}{2}\)"
- 22\(\frac{1}{2}\)"
- 25\(\frac{1}{2}\)*(additional cost)

*Depth Upgrade: Available for straight front styles only.

3. EDGE PROFILE

- Eased
- Bevel
- Bullnose*
- Ogee*

*Edge Upgrade (additional cost)

4. EDGE PROFILE APPLIED TO:

- Front
- Left
- Right

Note: The selected edge profile (see previous step) will be applied to the front and sides of the vanity top specified by the customer (left or right). Any unmarked side of the vanity top will have an unfinished edge.

5. SINK SELECTION

- Vitreous China Undermount Oval Sink
  - Color: White
  - Biscuit
  - Size on 19\(\frac{1}{2}\)" tops: 12" x 15"
  - Size on 22\(\frac{1}{2}\)" or 25\(\frac{1}{2}\)" tops: 14" x 17"

- Kohler® Caxton Vitreous China Undermount Oval Sink
  - Color: White
  - Biscuit
  - Size on 19\(\frac{1}{2}\)" tops: K-2209
  - Size on 22\(\frac{1}{2}\)" or 25\(\frac{1}{2}\)" tops: K-2210

- Vitreous China Undermount Rectangular Sink
  - Color: White
  - Biscuit
  - Only available on tops 22\(\frac{1}{2}\)" or 25\(\frac{1}{2}\)" deep with a minimum length of 27".

6. CUSTOM SINK CUTOUT OPTIONS

- Drop-in
- Undermount
- Vessel

Note 1:
- None
- Left
- Right*
- Both*

*Note: Additional cost. Sink Cutouts are Etched.

Note 2:
- None
- Left
- Right
- Both

*Note: A home delivery must be ordered to a home’s curb side, not to the front door or garage. Due to weight and characteristics, granite and quartz vanity tops 49.25" longer must be delivered to store locations only. Additional cost.

ADDITIONAL CUTOUT INFORMATION:

*Customer is responsible for sink installation. Custom cutouts will be manufactured to Solieque® specifications using industry acceptable locations for sink and faucet placement. Specifications are available upon request. Not all sinks can be accommodated. Please call Customer Service for undermount sink cutout specifications. Additional lead time of 7 days required.

7. SINK LOCATION

- Single Sink Centered
- Double Sink Offset:
  - Inches from left edge to sink center*
  - Inches from right edge to sink center*

*Note:
- When measuring from an unfinished edge: Oval sinks must be placed at least 12" from left or right edge of vanity top to sink center. Rectangular sinks must be placed at least 13/16" from edge. When measuring from a finished edge: Oval sinks must be placed at least 12 1/2" from left or right edge of vanity top to sink center. Rectangular sinks must be placed at least 13/16" from edge.
